

Faculty of Pharmacy with
Subfaculty of Laboratory
Medicine, MUG and
Intercollegiate Faculty of
Biotechnology UG & MUG
have a pleasure to invite you to
Dr. Michael Crowley lectures

UAB HEFLIN CENTER FOR
GENOMIC SCIENCE
Knowledge that will change your world

Genetics and Genomics in Clinical Research

Tuesday, May 30

- 9:00-10:00 Review of Genetic Principles
- 10:20-11:20 Overview of Genetics and Genomics in Clinical Research
- 11:35-12:35 Copy number variants (CNVs) and chromosomal microarray technologies

Thursday, June 1

- 13:30- 14:30 Genotyping Technologies Next Generation Sequencing

Friday, June 2

- 9:00-10:00 Next Generation Sequencing – DNA Applications
- 10:20-11:20 Next Generation Sequencing – RNA Applications

Lecture Hall no 1, Faculty of Pharmacy, Al. Hallera 107, Gdańsk
